13 Progression Guide

Example: (From the workout above)

Incline Bench ? 10 3MRS

Means the lifter is to work up to heaviest 10 reps. (Could be 15, 12, 10, 8)

Then complete 3 additional Max Rep Sets (MRS) with that same weight.

Do not push to failure. Always leave 1-2 reps in the tank.

Expect rep counts to drop as each set progresses.

Attempt to beat T3 weights and volumes when you're feeling good.
